HONORING SILVIO J. PICCINOTTI

HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Ms. WOOLSEY. Madam Speaker, I rise with sadness today to honor Silvio J. Piccinotti of Petaluma, California, who passed away April 19, 2009, at the age of 100. Silvio was a fixture of the community for most of those years as it developed from an agricultural center to a small city with a variety of businesses but true to its rural roots.

Like many of their contemporaries in the area, Silvio's parents emigrated from the Italian-speaking area of Switzerland to the dairy ranching area of nearby Marin County where Silvio was born. They moved to Two Rock near Petaluma when he was an infant, and he worked on the local ranches as he grew up. In 1930 he purchased a ranch with his brother Americo, retiring from that business in 1975.

But Silvio is most known for his lifelong passion for draft horses, a passion he shared with the community. He was a founding member of the Northbay Draft Horse and Mule Club and tutored many young enthusiasts. He participated with his horse team and wagon in the Sonoma County Fair and the Harvest Fair and was especially appreciated at events in Petaluma, such as the annual Butter and Eggs Day parade. For 25 years he also sponsored an annual draft horse Wagon Train through Sonoma and Marin Counties.

Silvio was predeceased by his wife Alice and is survived by his son Vernon S. and his grandson Vernon J. Piccinotti as well as his dear friend Ellen Wight.

Madam Speaker, in 2005 the Sonoma County Horse Council appropriately inducted Silvio into its Equus Hall of Fame. His true fame lies with the generations of locals who

will remember the wagon rides and the teams of draft horses that brought them joy and represented the spirit of the community.

RECOGNIZING MAURO LUNA'S
SERVICE TO THE U.S. PROBATION
SERVICE

HON. HENRY CUELLAR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. CUELLAR. Madam Speaker, I am proud to have this opportunity to celebrate the retirement of Mauro Luna from the U.S. Probation Service. His 22-year career in Laredo exhibits his native and lifelong dedication to the city and its people.

It was at Mary Help of Christians School that Mr. Luna developed his high standard of morals and ethics that he later exhibited as an officer and supervisor. He brought this leadership to his job everyday, and positively impacted those he interacted with through the course of a day.

Mauro Luna found education to be the cornerstone to any successful life and career, so after graduating from J.W. Nixon High School he went on to earn his degree from the University of Texas-Austin and his MBA from Laredo State University. During this time Mr. Luna married Maria Martinez and had two children, Marcos and Massiel Melinda.

Madam Speaker, now after 11 years with the Juvenile Department and 22 years with the U.S. Probation Office I find great pleasure in wishing Mauro Luna a long deserved retirement so he may spend more time with his family and hunting.

EXTENDING THE SUPPLEMENTAL
SECURITY INCOME BENEFITS
PROGRAM TO AMERICAN SAMOA,
GUAM, PUERTO RICO, AND THE
U.S. VIRGIN ISLANDS

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Ms. BORDALLO. Madam Speaker, I have introduced today legislation that will extend the Supplemental Security Income (SSI) benefits program to American Samoa, Guam, Puerto Rico and the U.S. Virgin Islands. Specifically, this legislation would amend Section 303 of the Social Security Amendments of 1972 to make qualified residents of American Samoa, Guam, Puerto Rico and the U.S. Virgin Islands eligible to receive supplemental security income.

The Supplemental Security Income program assures a minimum cash income to all aged, blind, or disabled persons. Section 301 of the Social Security Amendments of 1972 established the Supplemental Security Income benefits program and ended matching grant programs to the 50 states and the District of Columbia for assistance to aged, blind, and disabled individuals. It is important to note that the House bill in 1972 included the territories under the proposed SSI program, but the final bill did not include that provision. SSI was extended to the Northern Mariana Islands in

1976, while American Samoa, Guam, Puerto Rico, and the U.S. Virgin Islands remain under the old matching grant programs with limited Federal funding.

Territorial governments currently receive non-entitlement, federal-state grants under Title I (Grants to States for Old-Age Assistance for the Aged); Title X (Grants to the States for Aid to the Blind); Title XIV (Aid to the Permanently and Totally Disabled); and Title XVI (Grants to the States for Aid to the Aged, Blind and Disabled) of the Social Security Act for programs designed to assist the needy, aged, blind, and disabled. Residents of American Samoa, Guam, Puerto Rico and the U.S. Virgin Islands who would otherwise qualify for SSI benefits are shortchanged under the current Aid to the Aged, Blind, or Disabled (AABD) Program where the federal payment is \$637 per individual compared with an average payment under the AABD program on Guam being \$100. American Samoa is at a greater disadvantage, receiving no AABD funds.

The legislation which I have introduced today would bring uniformity and fairness in annual payments by the federal government for all eligible persons residing in the 50 states, the District of Columbia and the territories under the SSI program and is one step in ensuring equity in Federal health programs for the territories.

I look forward on working with my colleagues to advance this bill.

INTRODUCTION OF THE REAFFIRMATION OF AMERICAN INDEPENDENCE RESOLUTION

HON. BOB GOODLATTE

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 21, 2009

Mr. GOODLATTE. Madam Speaker, Article VI of the U.S. Constitution declares that "this Constitution, and the laws of the United States which shall be made in pursuance thereof . . . shall be the supreme law of the land." Since its beginning, our nation has operated under the fundamental principle that the people of the United States should determine their own destiny.

However, recently there has been a deeply disturbing trend in American jurisprudence. The Supreme Court, the highest court in the land, has begun to look abroad, to international laws, regulations and opinions to interpret the U.S. Constitution. This is a very frightening prospect considering these materials are crafted by bureaucrats and non-governmental organizations with virtually no democratic input.

This new trend is a threat to both our Nation's sovereignty and the democratic underpinnings of our system of government. Our Nation's founders acknowledged this very danger when they decreed in the Declaration of Independence that King George had "combined to subject us to a jurisdiction foreign to our constitution and unacknowledged by our laws."

The contrast between this language in the Declaration of Independence and that of many of our Supreme Court justices could not be clearer. Justice Ruth Bader Ginsburg told the New York City Bar Association in 2005, "I will take enlightenment wherever I can get it. I don't want to stop at a national boundary."
